Self-Pay Customers

Where you are a consumer, this will be pursuant to the terms and conditions you have directly entered into with Latus.

Corporate Customers

Where you are provided with access to these Services through your employer, or a corporate organisation which has provided you with access to this testing (“**Latus Client**”), this will be pursuant to the terms and conditions between Latus and the relevant Latus Client. Your information will not be disclosed to the Latus Client, unless you have been previously made aware of this disclosure by the Latus Client, or as otherwise strictly necessary as permitted by applicable laws.

All Customers

Our laboratory partners are responsible for testing your sample to establish whether you had COVID-19 at the time of taking the swab and communicating these results back to you. They are also responsible for retaining your personal and health information for compliance with its legal and regulatory obligations, and for any onward disclosure to the Government or Public Health England as required by law, which may include for the purpose of the NHS “track and trace” system, (or equivalent agencies in any relevant jurisdiction in the UK where the Services are

provided and/or where recipient(s) of the Services are located). Latus does not process your personal or health information for these purposes.

The privacy policies for Latus (click [here](#)), Covi Tests (click [here](#)), Salient (click [here](#)), Everything Genetics (click [here](#)) and TDL (click [here](#)) explain how each organisation uses your personal data and how you can exercise your rights.
